

# Center Parcs Allergen Contents for The Pancake House

The information provided was correct at the date of uploading onto the website.

We do substitute ingredients so you must always make us aware of your allergy/dietary requirements at the time of ordering so that we can check for accurate, up to date information. This will also allow us to take particular care with the preparation of your meal to avoid cross-contamination with allergens. We may be able to adapt a dish to remove a particular ingredient if you discuss your requirements with us before ordering your meal.

This information relates to allergens which are intentional ingredients in our menu items. Should you require further information on any of the ingredients used please talk to a member of the team. We do use most, if not all, allergens in our kitchens. However we will take particular care and implement precautions to avoid cross contamination of foods if you alert us to your allergy.
