

Center Parcs At A Glance

Center Parcs is the UK's favourite short break destination with an enviable annual occupancy rate of over 95%. Center Parcs provides family short breaks in forest settings in the UK, with a variety of outdoor and indoor activities and sports facilities. There are 4 UK locations, each is set in a forest environment, typically 400 acres in size, providing high quality accommodation in fully equipped apartments and lodges, set amongst trees and streams. Each village offers an extensive range of sports and leisure activities plus numerous restaurants, bars and retail outlets and a superb Aqua Sana Spa facility.
