

## A brand new way to book your short break at Center Parcs

We've re-designed our booking process to make it easier for you to see all the available options and make the best choice of accommodation for your holiday.

If you've booked with us before and want to know what's changed, this is a quick summary of the improvements.

### How it works

The first thing to tell us is how long you'd like to stay for.

**Quick Availability Search**

**How long would you like to stay?**  
Select break length [v]

**Choose your location**  
Select Village [v]

**Party Size**  
2 [v] Adult 0 [v] Children (under 17)

**Any additional requirements?**  
No [v]

**Promotion code**  
[input] **Go** >>

### Choose your arrival date

Select the month and the specific date you'd like to arrive, if you know it. We'll show you a couple of options either side of your chosen date, so you've got all the choice you need.

If you choose 'any day', you'll be given the choice of up to five different arrival dates, with all the accommodation that's available and suitable for your party size.

### Choose your village

Tell us which village you want to stay at and the number of people in your party.

**Quick Availability Search**

**How long would you like to stay?** [Weekend (3 nights) v] **Arrival date** [Mar 2012 v] [2 Fri v] [calendar icon]

**Choose your location**  
Longleat Forest [v]

**Party Size**  
2 [v] Adult 1 [v] Children (under 17)

**How old are the children?**  
0 [v] Under 2 1 [v] 2-5yrs 0 [v] 6-16yrs

**Any additional requirements?**  
No [v]

**Promotion code**  
[input] **Go** >>

### Need more than one accommodation?

You can book up to three accommodations for the same break, online. Simply say 'yes' in the additional requirements checkbox before you proceed. There's more about booking multiple accommodations on page 4 of this guide.

When you've told us when and where you'd like to stay, you'll be taken to the new easy to read results table. This shows you all the accommodation types available suitable for your party size, for you to compare.

You can change all the elements of your search without having to start again. Just use the drop down menus at the top of the table. Or to change your party size, simply click the amend link.
