

## **Retail**

### **General Comments**

#### **Entrances**

Entrances to Retail units are accessible and manoeuvring space in shops is generally adequate.

#### **Lighting**

In general all shops are well lit.

#### **Counters**

There are no lowered counters in the Retail units. Staff will process payments without using the counter and provide assistance where required.

#### **Shelf Height**

All shops have both low and high shelves that may be difficult to reach for guests with limited mobility. If you require assistance, a member of staff will be happy to help.

#### **Delivery and Pre Arrival Services**

If you use our standard delivery service or order goods to be delivered prior to your arrival, please be as specific as you need to be to ensure that your goods are accessible to you when you return to your accommodation, for example, please instruct us not to use high cupboards if this will cause you problems later.

#### **Pricing / Offers / Signs**

If you experience difficulties reading prices or other literature, please ask for assistance as necessary.

## **Just Kids**

This is a spacious store but items are placed at different levels, please do ask for assistance, if there is an item on display that is not accessible to a wheelchair user.

## **Treats**

This store is compact, if you require assistance, a member of staff will be happy to help.

## **The Store Room**

This store is compact, if you require assistance, a member of staff will be happy to help.

## **Parcmarket**

This is a spacious store which has level open access directly from the Plaza.

Adapted Shopping trolleys for wheelchairs are available at the entrance to the store.

The bakery does not have an accessible counter. However staff will assist in any way necessary at this location.

Checkout Counter height is 880mm approximately. Guests in wheelchairs will be provided with assistance at checkout if required. All checkouts can be accessed by wheelchair users.
