

Hucks

Hucks is a seated service restaurant situated in the Plaza with level access.

Some of the seating is benched, but staff will be happy to find you a suitable area to sit. If there is more than one wheelchair in a group prior notification would be advisable to facilitate seating.

Lighting

Lighting in this restaurant is subdued during the evening.

Toilets

Accessible toilets are available.

A large print or Braille menu is available on request.

Noise

This is a lively family restaurant with background music.

Play Areas

There are two indoor play areas that are situated at one end of the restaurant; one is a soft play area which has level access. The other is a large wooden structure accessed by a wooden staircase.
