

The Pancake House

The Pancake House is a seated service restaurant.

The access to The Pancake House is via a small slope. Entrance doors are by a single set of double leaf doors, giving access to a substantial lobby, with a further set of doors into the main restaurant.

The restaurant is fully accessible to guests in wheelchairs. An assessment has been made of the locations in the restaurant with best accessibility for the seating of guests in wheelchairs, please ask staff for details. However, every effort will be made to seat you in any location you request. There is some fixed seating and these booths are not suitable for guests using wheelchairs. This only accounts for approximately 50% of the seating area.

An accessible toilet is provided within the restaurant.

Large print and Braille menus are available, please ask your server.

A portable induction loop is available. Please alert the staff at the time of booking or seating (arranged via Guest Services).
