

Craft Workshop

The Craft Workshop is located in the Village Square. It is accessed by double doors with push pads and has level access throughout. The tables are suitable for use by wheelchair users.

The retail section within the Craft Workshop has both low and high shelves that may be difficult to reach for guests with limited mobility. Staff will be happy to assist. A lowered counter area is not available, however staff will process payments without using the counter.

A wash hand basin (height approx. 28") is available within the unit. A changing places changing facility is available within 5 minutes in the Sports Plaza. The changing places is fitted with shower seat, WC, integral shower and changing bed with height adjustable washbasin and hoist as per the changing places specifications.
