

The Coffee Cloud

The Coffee Cloud is an air stream unit serving coffee & hot beverages with grab and go food and is located outside the Pancake House at the lake.

The Coffee Cloud has a high counter where you can place an order which is outside the unit.

Staff will provide assistance with carrying drinks out of unit where necessary.

An accessible toilet is located within the Pancake house.

The menu is provided on a board located at ground level. Print is large, however, staff will be happy to assist as necessary.

Amplified music is played around the lake & from outside speakers of pancake house.
