

Adventure Golf and external play areas

Adventure Golf

The lower half of the Adventure Golf area is suitable for wheelchair users. However, the top half could be challenging for guests with restricted mobility. The top (Arthurian) course is not accessible by wheelchair.

Adventure play area – Village Square

This play area can be accessed from either end and from the pathway that leads from Village Square to the top of the boardwalk.

From Village Square there is a small flight of steps, however, there is level access from the alternative entrances.

The pathway through the play area is of tarmac and is accessible to wheelchairs. There are no specific activities designed for children in wheelchairs.

Accessible toilets

Accessible toilet is available in the Foresters' Kitchen and Terrace.

Play areas located close to the Jardin des Sports

These play areas are accessed by stairs and/or sloped and level paths.

There is equipment accessible for children in wheelchairs.

Accessible toilets are available within the Sports Plaza.

Play area on the beach

This play area is situated on the sand and is accessed by the path that leads around the lake near to The Boathouse.

There is an accessible toilet situated at The Boathouse.
