

Sports Café

Access

This Sports Café restaurant & bar is located within the Sports Plaza and has level, open access from the main walkway within the building and the outdoor terrace.

The bar is not provided with a lowered counter area, however staff will offer assistance to provide service at the bar or table.

The terrace area at the front of Sports Café is provided with level access via the Sports Café three sets of manually operated double doors.

There are two soft play areas for toddlers and older children which have limited access, due to space constraints and the foam based flooring.

Toilets

Fully accessible toilets are available adjacent to the Sports Café. A Changing Place is also available within the Sports Plaza.

Noise

Noise levels within the restaurant can vary greatly especially when major sporting events are being shown in the restaurant.
