Entrance & Access: This restaurant has a number of entrances, the suggested ones for ease of access are as follows:-

- Entrance to the left of the restaurant (opposite Dining In) has level access and leads to the upper area of the restaurant. However, the last 12m is slightly uphill.
- Entrance to the right of the restaurant (opposite Rajinda) has level access and leads to the lower area of the restaurant.
- Entrance via the centre of the patio area has a ramped access and leads to the upper level of the restaurant.
- Access from lower level to top level is via 2 steps.

Lighting

Lights are dimmed in this restaurant at 6 pm daily. Arrangements can be made for guests with partial sight to view menus.

Toilets

Although there are no accessible toilets in this restaurant there are accessible toilets in Hucks entrance some 9 metres away. Access to these can either be by exiting through the entrance to the left of the bar area and along boardwalk to the entrance to Hucks or, via the patio entrance. Staff will be pleased to advise and assist as requested. Once in Hucks the toilets are to the left of the bar area clearly signed.

Floor Area

Raised Areas: This restaurant is on two levels, however each level can be accessed via different external doors.

Ramp

There is a ramp from the patio area to the upper level of the restaurant.

Noise

Café Rouge is a lively family restaurant with background music and occasional entertainment.
