

Dexters

Dexters is a counter service/family service food restaurant, where you order items at the counter and it is then delivered to your table.

The entrance to Dexters is at the bottom of a steep ramp, provided with handrails to assist access. A single set of manual double leaf doors which open outwards are provided at the entrance.

Low lighting is provided throughout the restaurant.

The counter height is standard. Staff will deliver goods to your table on request.

The restaurant is not provided with toilets. Accessible toilets are located in the entrance to the Subtropical Swimming Paradise Changing Rooms.

An elevated area of seating is provided at the rear of the restaurant, accessed by three steps.

Ground level seating is available – approx. 40% of available seating

An additional seating area is provided next to the entrance.

The menu is provided on the wall above the service counter. Print is large, however, staff will assist as necessary when assistance is requested.

Back ground music is played in the restaurant.
