

Photography Studio - Pret-a-Portrait

Entrance & Access

The entrance to the unit is inside the Jardin Des Sports building, through the hall towards the multifunction hall. The hall contains amusements and the area can get busy, however the access routes are wide enough for wheelchair use.

The studio is accessed along the multifunction corridor.

A wide access door is in place.

The photography area has bright lighting and level access.

Lighting

Lighting in this unit is bright. Photography flashes will happen in this area.

Noise

This unit has background music.
