

## **Starbucks – Village Square**

Starbucks is a counter service coffee shop restaurant and is located on the main path leading into the village square.

### **Entrance**

The main entrance is through double opening doors. A push button automatic opening device stands approximately 2 metres in front of the doors if required.

Side entrance double manual doors are also available

### **Lighting**

Low lighting is provided throughout the restaurant.

### **Service**

Staff will provide assistance with carrying of trays to tables on request.

### **Toilet**

Accessible toilets are available.

### **Menu**

The menu is provided on the wall above the service counter. Print is standard, however, staff will assist as necessary when assistance is requested.

### **Noise**

Amplified music is played in the restaurant.

### **Patio Area**

There are tables and chairs directly outside with level access.
