

Activity Den

This is located in the Village Centre close to the upper entrance. It has level access via a reception area through a security door for the crèche rooms.

Accessible toilets are provided within this facility. The nearest Changing Place is next to The Green Room in Village Centre.

All areas of the facility are accessible.

Guests with special needs can be accommodated in most sessions, including guests who require supervision in addition to the usual ratios prescribed by OFSTED. If additional supervision is required over and above the OFSTED prescribed ratios, at least 48 hours notice is required to arrange this where reasonably possible.

The Activity Den has a level outdoor play area with a suitable surface for wheelchair use, which is completely secure. This is accessed via the crèche rooms.

The Activity Den has an area called Craft Room which is next to the Activity Den reception desk. This holds the parent accompanied and 8-14yrs sessions. It is fully accessible, and there is an accessible toilet within the facility or at the toilets past the adjacent cave next to Bella Italia.

Toys

There are toys and activities particularly suited to children with particular disabilities available. Please contact Guests Services or the Activity Den if you wish to establish if specific items are available.
