

Dexters

Dexters is a counter service fast food restaurant.

The entrance has an opened fronted layout with unrestricted access from inside of the Village Centre (next to the lower entrance to the Centre).

Three sets of manually operated double doors give access to the lakeside patio area.

The counter height is 890mm. There is lowered section at 800mm. Staff will provide assistance with carrying of trays to tables on request.

The nearest adapted toilets are located within Leisure Bowl.

The restaurant floor and seating is all on one level.

The menu is provided on the wall above the service counter. The print is large; however, staff will assist as necessary when assistance is requested.

Background music is played in the unit at most times.
