

The Green Room and Lounge

Entrance

The main entrance to The Green Room Lounge is via level access from within Village Centre via two sets of manually operated double leaf doors with intervening lobby. A further set of manually operated double leaf doors gives access to the show area.

Main seating and lounge seating

All seating is movable and accessible to wheelchairs

Lighting

General lighting levels are subdued for events; however, stage lighting is used during shows and does include occasional strobe effects.

Accessible toilets

Accessible toilets are available within The Green Room, accessed from The Green Room Lounge.

Counter levels

The Green Room lounge has a lowered counter area,
