

Starbucks

Village Centre

Located on the lakeside boardwalk between Huck's and Dining In.

Entry to Starbucks is via a power assisted door.

Internally all seating and counters are on a single level and the main counter and condiment stations have lowered areas (850mm) except for one raised section of seats.

Seating at Starbucks is either internally, with sufficient access for wheelchairs, or externally on the board walk.

The lower section of the boardwalk is accessed by 3 steps and is unsuitable for wheelchairs.

Sports Plaza

Starbucks in Sports Plaza is located between Sports Café and Sportique.

Access is via a wide open entrance way.

Internally all seating and counters are on a single level and the main counter and condiment stations have lowered areas (850mm) with the exception of two raised section of seats.

All seating at this Starbucks is internal.
