Alternatively, when dining in our restaurants and bars you should bring this to our attention before placing your order and we will discuss your requirements at that stage.

Whilst allergen information is available on our website, we sometimes have to substitute ingredients at short notice so you must make us aware of your allergies/dietary requirements at the time of ordering so that your menu choices can be checked again. We may also be able to adapt a dish to remove a particular allergen if you discuss your requirements with us before ordering your meal. Arrangements for accommodating allergies differ in restaurants run by organisations other than Center Parcs, these are Café Rouge, Bella Italia, Dexters Kitchen and The Canopy Café and Bar. Please discuss this directly with the Restaurant Manager.

We use allergens in our kitchen as part of the preparation of food. We also cook different foods in the same equipment. Please advise us of any allergens on every visit to our restaurants as our recipes are subject to change and we occasionally substitute products. Full allergen information from items on our menu is available upon request. Should you require more detailed information relating to any 'may contains' or the cooking process, please discuss with your server.
