#### General Information

- For the safety of pedestrians, no cycles, scooters, skateboards or skates are allowed in the main buildings, Village Square or on designated pathways
  Any medical supplies ordered for use during your stay e.g. O2/dialysis fluid, should be collected from the Medical Centre on the day you arrive, using your own vehicle
- Should you have the need to bring medication with you onto the village, please limit this to only the amount necessary for the duration of your stay
- Sharps disposal boxes and clinical waste disposal bags are available from the Medical Centre and should be returned there for disposal; do not put them in normal waste containers
- You're welcome to bring your own cycles providing they are in good condition, but please remember that, even in our protected environment, we are not immune to thefts. We are advised by police that custom-built and 'designer' cycles are particularly vulnerable, so we strongly recommend you use a five star lock whenever leaving your cycle
- Locks are available from the Cycle Centre. Remember not to attach the lock to quick release wheels. We also suggest you keep your cycle in your accommodation overnight and remove cycle racks from your car
- When using cookers, ovens or grills in your accommodation please do not leave them unattended. Please do not bring your own cooking equipment to any village
- You can read our Safety Guide before your break at www.centerparcs.co.uk/ safety\_information
