**COVID-19 Impact Update – 19 May 2020**

Further to the announcement made on Tuesday 12 May 2020, Center Parcs has today taken the decision to extend the closure period of its holiday villages in the UK until Sunday 5 July 2020 and, in relation to the holiday village in Ireland, until Sunday 19 July 2020. These dates reflect current guidance provided by the UK and Irish Governments in relation to lifting the restrictions imposed to manage the risks around COVID-19. We shall continually review the closure dates in line with the latest guidance issued by the respective Governments. We believe that this is in the best interests of all our stakeholders, specifically our guests and employees.
