**COVID-19 Impact Update – 30 March 2020**

Further to the announcement made on Tuesday 17 March 2020 and in line with the latest Government guidance, Center Parcs has made the decision to extend the closure period of all Center Parcs villages in the UK and Ireland until 30 April 2020. We believe that this is in the best interests of all our stakeholders, specifically our guests and colleagues. We will monitor Government guidance and take such further measures that are necessary and appropriate to our business.
