Allergies We use allergens in our kitchen as part of the preparation of food. We also cook different foods in the same equipment. Please advise us of any allergies on every visit to our restaurants as our recipes are subject to change and we occasionally substitute products. Full allergen information from items on our menu is available upon request. Should you require more detailed information related to any 'may contains' or the cooking process, please discuss with your Server. To the best of our knowledge, the foods on our menus do not contain genetically modified soya or maize. Some of our meat/fish dishes may contain small bones.
