American Bar & Grill

Appetizers . Entrées . Sweet Stuff

Welcome to Huck's American Bar and Grill

Where everything – from the welcome at the door
to the food on your plate – is all-American.

We've combed the West Coast and scoured the
Deep South looking for the most mouth-watering
recipes the United States has to offer.

So whether you fancy fresh Californian flavours
like our prawn tostadas, smoky New Orleans-style
ribs or a steak cooked just like they do in Texas,
we have you covered.

If you need anything or have a question about the
menu, just ask your server. We're here to help.

Allergens, Intolerance and Special Dietary

Everyone should be able to enjoy great food, end of story.

V Vegetarian

If you have an allergy, intolerance or special dietary requirement here's the deal: if it's marked with
the following icons that means we're more than happy to make some tweaks to our dishes to meet your needs.
Just make sure you tell your server when you order.

Ask us to make it...

VE Vegan GF Gluten Free

Please advise us of any allergies on every visit to our restaurants as our recipes are
subject to change and we occasionally substitute products.

Keep an eye out for Huck's drinks recommendations where we have carefully
selected the ideal wine pairing to go with each of our delicious menu offerings...
