## Our agreement with you provides:

- Information you will need to know before you book;
- A step by step guide to booking your break;
- Payment arrangements;
- Information about arriving, staying and departing from our villages;
- Information we will need to know about you and your party, including any special needs;
- Change and cancellation arrangements and contact details.

## A. To book your break

### A1. Please: ensure you:

- Read Section C which contains important information you need to consider before you book;
- Note that you must be over the age of 21 to make a booking;
- Log on to [www.centerparcs.ie](http://www.centerparcs.ie) or telephone our Reservations Team.

### A2. Booking more than 10 weeks ahead

A deposit payment of €75 or 30% of the total cost of your break (whichever is the greater) is required to secure your booking. The balance must be paid 10 weeks before the start of your break. Any balance may be paid online through your account or by calling the Reservations Team.

Your deposit is a non-refundable booking fee covering the administrative costs we incur in processing your reservation. The full cost of any insurance taken out must also be paid with your deposit. Alternatively, you may pay the full cost of your break at this point.

Please note the pricing information contained in Section B and the change and cancellation arrangements in Section H.

### A3. Booking less than 10 weeks ahead

Full payment by credit/charge or debit card is required at the time of making your reservation. This may be online or by telephone.

### A4. Payment confirmation

Please check the details on the confirmation carefully. If any of the details are incorrect, or change, especially your address, you must inform our Reservations Team as soon as possible. You must also ensure that you pay any amount required in accordance with the confirmation payment schedule. If you do not, we will have the right to cancel your reservation and keep or claim your deposit (as it is a non-refundable booking fee). Credit/charge and debit cards will normally be authorised and charged to your account within one working day.

### A5. Our agreement

A contract (our agreement) is formed when we receive the required payment and you have received a confirmation. This will be deemed to be 24 hours if sent electronically and within 10 days if sent by post. If you do not receive a confirmation within these timescales, please contact us immediately. Required payment means either the required deposit or the full amount due for your break.

Our agreement incorporates the information on our website and current "Booking Guide", the confirmation and this agreement (which we sent to you following your telephone reservation or which you accepted online at the time of booking).

Our agreement with you binds you, (the person named on the confirmation), and all members of your party, including children and any day visitors and you shall be responsible and liable for any failure on their part to comply with our agreement. You must ensure that all members of your party are aware of and accept all of this agreement. Our agreement continues until the last member of your party has left the village, including any extension to your stay and for such time afterwards as may be necessary.

We will send you, either electronically or by post, a confirmation showing the price for your break and any additional charges. It will also detail payments received and due.

## B. The price of your break and what it includes

### B1. The price of your break

Our prices will fluctuate throughout the day based on the demand for that particular break, type of accommodation and village. Therefore, prices are subject to change and may go up or down. The agreed price for your break will be quoted when you make a reservation and will be shown on the confirmation.

### B2. This price includes:

- Use of your accommodation for the maximum number of guests we indicate;
- Any other amenities or services described as included in the price of your break in the information provided to you.

### B3. The price does not include:

- Use of facilities and activities not included within your break, for example cycle hire, leisure activities, spa treatments and court hire. Additional charges and different booking arrangements apply - separate agreements will be formed for these items;
- Cot linen;
- Additional cots or high chairs or other children's equipment for your accommodation;
- Insurances which must be purchased separately.

### B4. Additional charges

Location charges: you may select the location of your accommodation (e.g. next to friends or a specific lodge number), subject to availability, for a supplement. For charges please refer to our website.

Charges for dogs: we have a small number of lodges which can accommodate up to two dogs provided this is agreed by us at the time of booking, you comply with the requirements set out in paragraph F18 and you pay the appropriate additional charge. For charges please refer to our website.

### B5. Tax and price promise

All relevant prices include VAT at the appropriate rate.

We have the right to increase or decrease prices in line with any change in VAT or any other dues or fees levied on your break. We will not make any such increase to the basic cost of your break within 30 days of your holiday start date. We will also absorb all such increases where they form less than 2% of the total. These provisions do not apply to insurance and any other separate charges.

## C. Important information before you book

### C1. Special requirements and disabilities

We welcome guests with restricted mobility, a disability, medical or particular care requirements. We aim to ensure that our services are as accessible as reasonably possible, so it is important that we are fully apprised of any needs, requirements and conditions prior to any booking being concluded. Please contact our General Enquiries Team who will be happy to discuss with you availability, suitability and potential reasonable adjustments, including any requirement for a guest to be accompanied by someone who is able to provide for any particular needs they may have over and above any reasonable adjustments we are able to make. A risk assessment might be required prior to confirming a booking or allowing participation in certain leisure activities.

We rely on the information you provide to help us anticipate and satisfy your needs. We therefore require you to update us with any change in circumstances prior to and during your stay.

### C2. Medical assistance and clinical waste

It will be necessary for a guest to be able to administer or attend to their own medical needs or have someone accompany them who can do so.

Instructions concerning disposal of sharps and clinical waste are available in your accommodation or upon request.

### C3. Groups, organisations and institutions

Where a party or a booking consists of four or more lodges and/or is to include members from an organisation/institution/similar body or those benefiting from activities organised by third parties, for example, charities, councils and the like, you must provide the name and type of organisation/institution etc. (if applicable) and any other information we may reasonably require, before we can confirm your booking.

Where the majority of the party is under the age of 21 or includes any person(s) who are normally closely supervised, there must be sufficient capable and responsible adults over the age of 21, in every accommodation unit to provide adequate supervision for the party and each member of it. One such identified person must be present for the duration of the break and accept overall responsibility for the whole party. The name and contact details of this person must also be confirmed on arrival at your village.

If we incur costs in providing assistance or supervision to your party, we reserve the right to claim compensation from you in accordance with paragraph F2.

For groups which include 10 or more adults, we offer the services of a personal event planner, providing you book by phone by calling our Group Bookings Team.

In order to preserve our family environment, we do not permit "stag/hen" parties nor adult fancy dress on village.

### C4. Information about your party

We have the right to obtain the name, date of birth, address and gender of each member of your party before confirming your booking or at any time. You (the booker) must be a member of your party unless we agree otherwise. Failure to provide us with full details of the make-up of your party prior to your arrival may result in access to your village being delayed or denied.

We want to maintain a safe and secure environment for you and your family and may ask for identification on arrival. We don't knowingly allow anyone to use or visit our villages who is a convicted child sex offender or subject to the notification requirements of the Sex Offenders Act 2001, or subject to a Sex Offender Order or a Child Abduction Order for the purposes of the Criminal Justice Act 2007 (as amended) and the Child Abduction and Enforcement of Custody Orders Act 1991 (as amended).

We reserve the right to conduct security searches as a condition of entry to protect your safety and that of other visitors. We may conduct security searches of clothing, bags and vehicles, as determined by us in our reasonable discretion, including on entry and exit of our villages.

### C5. Gifts, prizes or promotions

Should you wish to use a Center Parcs product as a gift, prize, part of a reward programme or other promotion you must contact the Center Parcs by email to [marketing.team@centerparcs.co.uk](mailto:marketing.team@centerparcs.co.uk) before making any booking. Special requirements will apply. By booking you will be deemed to have accepted our special requirements as notified to you.

You may not advertise, use, give or resell your break or any promotional discount or offer to do so (for profit or otherwise) or use it in connection with a competition, promotion, business and charitable or any other similar venture without our express advance written permission. Please note our rights to cancel for breach of any terms in this agreement, in paragraph H4.

## D. Before you arrive

Please complete your registration detailing all members of your party through your online account as soon as possible before your arrival.

We recommend that, where possible, you pre-book any activities (see paragraph F6).

Please check our website before you leave home for all the latest information and any particular circumstances that apply to your break.

You should inform us immediately if, within 4 weeks prior to your arrival date or during your break, any member of your party has, or develops, an infectious or contagious medical condition. If so, we have the right to:

- Refuse to accept your booking; or
- Cancel your break; or
- Ask any member of your party to refrain from taking part in certain activities; or
- Ask any member of your party to leave the village immediately, should we, at our discretion consider it necessary to protect the health of other guests, staff or the general public.

You should also advise our General Enquiries Team of any other special medical circumstances, such as a member of your party being terminally ill. Such information will be treated sensitively.

## E. Arrival

You may arrive from 10am on your arrival date and are welcome to use village facilities from that time (other than the Subtropical Swimming Paradise which you may use from 2pm). Your accommodation will be available from approximately 3pm and 2pm for guests choosing our Early Arrival option.

In order to help minimise our carbon footprint and to reduce traffic volumes we recommend that no more than 2 cars per lodge are brought on to the village.

There are restrictions on the access and parking arrangements for larger vehicles at each village. Please contact our General Enquiries Team for further information.

Caravans, campers and/or mobile homes are not permitted on our villages.

## F. Whilst on village

### F1. Our aim

Our aim is to provide a relaxed break suitable for families in a natural environment. To ensure the maximum enjoyment of your break and that of all our other guests you must comply with all the requirements in this agreement. We draw your particular attention to the paragraphs below and to the safety and other information you will receive on or before arrival. You must also note and comply with all verbal or written guidance, especially safety guidance supplied to you by us or one of our staff. You must comply with all notices.

### F2. Important information and updates

Important information, guidance and updates will be published on the TV in your accommodation and you should check for such information regularly. Facility and activity timings shown in your arrival pack are an indication only and may vary from time to time.

### F3. Behaviour and compliance with this agreement

You are responsible for the behaviour of all members of your party. Behaviour should be in keeping with the family environment and should not be excessive, noisy or disruptive, especially at night. Offensive or illegal behaviour will not be tolerated and may result in the Garda being involved. Offensive or aggressive behaviour or language towards our staff is not acceptable. We may ask you and/or any member of your party to leave immediately if your conduct results in Garda attendance or is considered by us to be inappropriate; likely to cause harm; or impair the enjoyment, comfort or safety of anyone; or is likely, in our belief, to breach any of this agreement. No refunds or compensation will be given in these circumstances and we reserve the right not to accept any future bookings from you or any member of your party.

### F4. Children's supervision and parental responsibility

There must be at least one capable and responsible adult over the age of 21 in every accommodation unit.

You are responsible for the supervision of all members or your party under the age of 21. This is particularly important in all children's play areas, in licensed areas, close to lakes and waterways, whilst cycling and in swimming pools - where specific supervision ratios apply. These are published in the "Guest Services Directory" and on notices. Parties not meeting the required ratio or who are not supervising their children responsibly may be asked to put appropriate arrangements in place or to leave the relevant facility.

Children's activities are unsupervised unless otherwise stated.

### F5. Safeguarding

It is our policy to investigate any incident or allegation of concern or assist any proper enquiries about a child in our care or staying at our villages and to refer the matter to an appropriate external organisation should we consider it necessary/appropriate. A copy of our Safeguarding Policy Statement is available on request.

### F6. Facilities and activities

We draw your special attention to the following:

- A range of facilities and activities which you may purchase separately are detailed in the arrival pack sent to you and on our online booking service. These may be booked before your break or following your arrival at the village;
- All facilities and activities (including those contained within the price of your break) are subject to availability;
- We operate a "first come-first served" policy so we cannot guarantee that you will be able to book a particular facility or activity for a specific time or at all.
- Activities that take place outdoors are provided subject to appropriate weather conditions prevailing at the time the activity is to take place;
- During winter months the programme of water sports may be limited;
- Additional facilities may be available from time-to-time and will be advertised;
- We will not pay compensation where facilities/activities are unavailable or fully booked except where paragraph H4 applies;
- The general activity conditions, this agreement, our Safety Guide and any special conditions we make known to you apply to any facilities and activities you book and must be complied with. These will be detailed on our website when booking and/or before/during the activity;
- You must ensure that any activity or facility selected by any member of your party is suitable for those who are taking part;
- You must arrange supervision for children under the age of 8 taking part in activities or using facilities unless we have agreed to supervise;
- We will not accept activity bookings from children under the age of 8 and only from children aged between 8 and 12 at our discretion. They will be deemed to have consent from you and their parent/guardian to book and participate in the activity concerned. It will also be deemed that the activity is suitable for them.

### F7. Security of your property

We draw your special attention to the following:

- Your personal belongings are your responsibility during your break;
- Vehicles parked on our property are subject to very limited security cover only. You must lock your vehicle securely and remove all valuable items on parking;
- Personal cycles are particularly vulnerable in the nationwide problem of cycle theft. If you choose to bring your own cycle we strongly recommend that you follow the security measures listed in your arrival pack, other good practice and obtain adequate insurance for it;
- The lockers provided in changing areas may only be used for clothing and non-valuable items;
- Security boxes are available at Guest Services;
- Appropriate insurance is strongly recommended;
- We accept no liability for any accident, loss or damage to your property unless such loss, damage or accident is demonstrably due to our negligence or that of those for whom we are legally responsible;
- We will offer reasonable help to assist you in tracing lost items, however we can only keep lost items for 30 days.

### F8. Food and beverages

Food, beverages and other supplies described in menus and other communications are provided subject to availability and are not guaranteed. Certain of the restaurants and food outlets are operated by third parties and separate contracts will be made with each of them. Any issues concerning your dining experiences should be directed to the relevant provider in the first instance.

## F9. Environment

Please keep to prepared roads, paths and tracks at all times and treat all property and facilities carefully and appropriately.

## F10. Accommodation

You must use your accommodation and its contents with care and leave it in a clean and tidy condition on departure. An accommodation inventory is available in advance on request and is provided in your accommodation on arrival. We reserve the right to charge you for any extra cleaning, missing items or damage.

We reserve the right to enter your accommodation at any time for any reasonable purpose, for example, to make checks, maintenance work or housekeeping. Your occupation is not exclusive.

The members of your party and the allocation of guests in each accommodation unit must remain the same for the whole of your stay.

The maximum number of guests in each accommodation type (as stated on our website) must not be exceeded. If it is, we may move those additional persons to another accommodation unit and will charge you or them the appropriate full charge for the additional accommodation, from the date your party arrived for the break.

## F11. Wireless facilities

Wireless internet access, where available, is not guaranteed and is provided subject to third party terms and conditions which are available when accessing the system. The facility is not subject to any particular security, and only has limited filtering measures and requires continuous parental supervision when used by children.

We reserve the right to disclose your name and address to our internet service provider if we discover that you or a member of your party illegally downloaded content from the internet or otherwise engaged in unlawful activity whilst using this facility.

## F12. Improvements and maintenance

As we continually improve our facilities on our villages you may find that:

- New facilities are on offer;
- Listed facilities are temporarily closed for maintenance and/or improvement;
- Some facilities and/or accommodation types have been altered, replaced or closed;
- There is development or refurbishment work going on in certain areas of the village. Whilst we take steps to reduce the impact of such works, you may experience noise and visual disturbance;
- Maintenance work or housekeeping tasks are undertaken in and around your accommodation during your stay, although in such circumstances we try to minimise any inconvenience;
- Different equipment is provided to that described on our website or in other communications.

## F13. Safety

You are required to follow any safety advice provided to you. Please note in particular:

- Diving is not permitted in any part of the swimming pools or in the lakes or waterways;
- Barbecues are not permitted in apartments or at all during periods when risk of forest fire has been notified. The use of gas barbecues is prohibited;
- Take particular care not to do anything which might cause a fire - dispose of cigarettes and barbecues responsibly;
- Fireworks may not be brought onto or used at our villages;
- Do not enter or attempt to use any facility that is closed;
- Please also refer to our Safety Guide given to you on arrival.

## F14. Driving on the village and parking

Guests' vehicles may not be used within the village itself unless you are unloading or loading at your accommodation at permitted times or on arrival and departure or travelling to the apartments or the spa. All vehicles must be returned to the appropriate car park for your accommodation immediately after unloading/loading.

At all times please give way to pedestrians and cyclists, keep to the left and within the 20 km/h speed limit.

Please use great care when driving. Sleepers, boulders, logs and posts are placed to prevent damage to the roadsides and unauthorised parking. No liability is accepted for any damage caused by these markers unless due to our negligence.

All vehicles should be parked in specified areas. Vehicular access is required for emergency services, Center Parcs vehicles and other maintenance vehicles. We will not be liable for any damage caused to your vehicle if it is not parked in a specified area and it obstructs an emergency service vehicle.

Limited numbers of mobility scooters and wheelchairs are available for hire/loan. A mobility service is available to assist guests who have a disability that limits or prevents their travel around the village on foot or by bicycle. Each guest requiring this service may be accompanied by one member of their party. In exceptional circumstances a special access permit will be provided if your vehicle is the only suitable means of getting around. Only vehicles displaying a Center Parcs' special access parking permit may be parked in the designated accessible parking bays.

## F15. Legislation and licensed premises

We shall not serve or sell alcohol to anyone who is, or appears to be, under the age of 18 (and cannot prove they are over 18), or whom we, in our sole discretion, consider to have been drinking excessively. We will accept a photo National Age Card, a passport or Identity Card issued by EU member states, as proof of age.

## F16. Smoking policy

Smoking (including e-cigarettes) is not permitted in any buildings (including accommodation) but is permitted where indicated on certain patios and balconies.

## F17. Natural inhabitants

Please note and remember that our villages are in a forest setting that is the natural habitat of a variety of native creatures such as deer, pine martin, insects, spiders, rodents and ticks. You should note any information and guidance provided in any of our information booklets or notices.

## F18 Dogs/Pets

You must ensure that:

- As a minimum each dog has a current kennel cough and a 7 in 1 booster vaccination;
- Each dog is properly supervised, is not dangerous and does not cause a nuisance or threat to anyone;
- When our staff need to visit your accommodation (e.g. requested a maintenance engineer) you take your dog(s) out or keep them in a different

room while these visits take place and comply with any specific instructions provided to you.

Dogs (except assistance dogs) are not permitted in any building except the specific accommodation you have booked. They must be kept on a lead at all times when outside your accommodation, and you must ensure they use the designated dog toilets.

If we, in our sole and reasonable discretion, consider your dog to be dangerous or to be causing a nuisance, harm or threat to anyone, or to be likely to do so, we may ask you to remove it from the village (without refund or compensation) or have it removed to kennels at your expense. You may not carry out photography for commercial purposes, publication or similar purposes in any part of our villages.

We regularly take photographs and videos for promotional and training purposes and we occasionally receive requests from TV or other companies to film/photograph on the villages. Please be aware that filming may be in progress during your break. Should you not wish to appear in any such material please notify us on or before your arrival at the village.

## F22. Compensation payable by you

By booking you agree that we have the right either during or after your stay to recover from you, whether via the credit/charge or debit card used to pay for the break or otherwise, the costs of:

## H. Changing or cancelling your booking

### H1. Changing your booking

You may change your booking with us for any reason provided the change is made 10 weeks or more before your start date. Each change is subject to availability and an amendment charge to cover our administration costs.

You may only change your start date once and you must select your new start date within 8 weeks of requesting the change, otherwise the change will be treated as a cancellation and a fee will apply (see paragraph H3).

Please note that any change of date, village or accommodation will be likely to involve a change in price of your break and an amendment charge being payable. The price payable is the greater of i) your original break cost; or ii) the price for your revised break change which applies at the time of your change. No difference will be refunded except where a change of date results in a lower price.

### H2. Prevented from taking your break

If you are prevented from taking your break, please contact our Reservations Team at the earliest opportunity. We will do our best to assist. You may not, under any circumstances, transfer your booking to anyone without our consent. We will not consent to a transfer where the person or party concerned does not meet our requirements.
